

# LATE NIGHT STUDIO HORROR

**It was a (adjective) night in the design studio, and the deadline was only hours away. My (noun) was (verb-ing) (adverb), fueled by caffeine and pure panic. As the clock kept ticking, I felt (emotion) but refused to stop.**

**When critique finally arrived, my project looked (adjective) on the screen. I stood there silently while the (plural noun) stared, nodded, and definitely noticed everything.**
